## Notice of the Launch of New Chip-based Automatic Teller Machine (“ATM”) Card

---

To enhance the security of ATM services as per guideline from Hong Kong Monetary Authority, we are pleased to launch a new chip-based ATM Card (“the New Card”) for replacing the existing magnetic stripe ATM card.

The New Card will be mailed to you in phases **from October to December 2013** to you at your latest mailing address in our records. Please use the PIN of your existing ATM Card to perform a transaction at Fubon/JETCO ATM in Hong Kong to activate the New Card within 4 months from the issuance of the card. To ensure that the New Cards are received without delay, you should contact us to update your mailing address, if required.

For enquiries, please call Customer Service Hotline at 2566-8181 during office hours, or visit our branches.
