Fubon Bank is introducing "e-Cheque" services on 7 December 2015. With our new “e-Cheque” services, customers can issue and present e-Cheques and e-Cashier Orders in digital form. This new service can provide customers with a more convenient and more environmentally friendly option to manage their financial activities.

For the purpose of this new service, a new “Customer Terms and Conditions for e-Cheques” (the “T&Cs”) which supplements and forms part of our Global Terms and Conditions for Accounts and Services (the “Existing Terms”) is introduced to cover the following:

1. e-Cheques Services provisions – applicability and definitions
2. Nature and scope of e-Cheque Services
3. e-Cheques Issuance Services
4. e-Cheques Presentment Services
5. Handling of e-Cheques, associated risk and our liabilities

Please note that the T&Cs shall be binding on you if you use, continue to use or retain the relevant account(s) and/or services on or after the effective date. If you decline to accept the amendments, you have the right to terminate the account(s) and/or services before the effective date in accordance with the relevant clauses under the Existing Terms.
