

Notification of Addition of Contactless Credit Card Function & Other Notice

Fubon Bank (the “Bank”) will make the following arrangements for enhancing the credit card service quality of the Bank:

Addition of Visa payWave/MasterCard Contactless Credit Card Function

Starting from 4th quarter of 2018 onward, the Bank will issue contactless credit card to cardholders by batches. Any of your newly applied cards, renewal cards or replacement cards will be embedded with Visa payWave/MasterCard Contactless function since then. You can simply tap your card on the contactless card reader to enjoy a fast and convenient payment experience.

Notification by Email

Some of the upcoming notification letters of the Bank will be sent by email according to your email address in the Bank’s record (if applicable). Should you have any changes to your email address, please notify the Bank promptly by downloading and filling in the “Change of Customer Information and Choice of Receiving Direct Marketing Form” at www.fubonbank.com.hk and then submit it to the Bank. If you have update for other personal information such as telephone number or correspondence address, you can also submit the aforementioned form to the Bank.

The above arrangements shall be binding on you if you continue to use or retain the credit card of the Bank on or after the Effective Date. If you do not accept the above arrangements, please act in accordance with the relevant clauses as mentioned in the “Termination of Card Services” and “Amendment of Agreement” under the prevailing “Fubon Bank VISA/MasterCard Cardholder Agreement” **on or before 31 August 2018**. Please make necessary arrangements after card termination at your end accordingly, in particular, for any pre-arranged payments and/or Octopus Automatic Add-Value Service through the existing credit card(s) (if applicable). For any enquiries, please do not hesitate to call Fubon Bank Integrated Customer Service Hotline at 2566 8181 (press 1 after language selection).
