Important Note on Fund Transfer Transactions

In order to protect customer's benefits, the Bank would like to remind you to be careful and avoid errors when making fund transfers through any banking channels and means (e.g. Automated Teller Machines (ATM, including cash or cheque deposit machines), Fubon e-banking Service, Fubon Mobile Banking Service, Fubon JETCO Pay Service, Fubon Business Online, teller counters of our branches or Fubon PhoneBanking Services etc.). Please check the correctness of the information such as transferee's account number and transaction amount etc., before making the fund transfer.

Should any funds be discovered to be mis-transferred into your account, please contact us immediately and authorize the Bank to return the amount which has been mis-transferred into your account back into the transferor's account, otherwise, you may be criminally liable.

For enquiries, please contact our Bank staff or call Fubon Bank Integrated Customer Service Hotline at 2566-8181.
