Notice on Launching of Faster Payment System Service on Fubon Business Online

Fubon Bank (Hong Kong) Limited (the “Bank”) will launch a new Faster Payment System service (“FPS Service”) on Fubon Business Online platform (“FBO”) effective from 31 July 2022 (“Effective Date”) which allows customers to receive funds or transfer funds to our bank account free of charge.

The Bank introduces FBO FPS Service as part of an industry wide launch in Hong Kong to support Hong Kong dollar (“HKD”) and Renminbi (“RMB”) domestic real-time transfer for corporate payments. You can now initiate HKD or RMB payments to your business partners in Hong Kong using your mobile phone numbers, email addresses or FPS ID as alternatives to bank account numbers. The fund will be transferred in real time after successful payment confirmation.

From the Effective Date, the FPS Service will be available on FBO, and such Service shall be subject to the Bank’s “Global Terms and Conditions for Accounts and Services” (Section III E and other relevant section), and Fubon Business Online Service Terms and Conditions.

Please note that if you do not accept the FBO FPS Service, you have the right to terminate your Fubon Business Online account(s) and service(s) in accordance with the relevant clauses under the existing “Global Terms and Conditions for Accounts and Services” before the service becomes effective.

Should you have any business enquiry, please feel free to visit the Bank’s website (www.fubonbank.com.hk) or contact our Fubon Bank Customer Service Hotline at (852) 2806 5062 during office hours*.
