
Fubon e-banking Service new “Automatic Internet Stock Trading Login” Feature The better online banking experience

Aiming at providing you with more comprehensive banking services, we would like to introduce the new “Automatic Internet Stock Trading Login” feature in Fubon e-banking Service with effect from 25 January 2010.

To reduce the hassle of customer logging in e-banking Service and Internet Stock Trading Service separately, you can access the Internet Stock Trading Service and perform stock trading transactions by simply logging in e-banking Service. Smoother e-banking Service helps you to grasp every investment opportunity.

Simply go to our website www.fubonbank.com.hk and register for the e-banking Service to enjoy our round-the-clock services at fingertips. For enquiry, please contact our Customer Service Hotline at 2566 8181 (Press 2, 3, 0) during office hour[^].

[^]Office hour is from 9am to 6pm, Monday to Friday (except Public Holidays).
